Press Release

Lake Norman Realty Welcomes PIRKL to Sales Team

Lake Norman Realty's President, Abigail Jennings, is proud to announce the addition of their newest Sales Associate in the Denver office, Shirley Pirkel. Licensed by the North Carolina Real Estate Commission, she is a member of the national, state and local REALTORS association.

Shirley relocated to the Lake Norman area over seven years ago to be near family and the beautiful lake living. In addition to Lake Norman, she has also lived in Stuarts Draft, VA, Tifton, GA, Orlando, FL, Bluffton, IN, Merritt Island, FL and the Canal Zone, Panama where she was born. Her interest in helping people in transition brought her to begin a career in real estate more than three years ago. She is also a Preschool Teacher in the Huntersville area.

Her experience in moving, diverse history and knowledge of Lake Norman helps her clients make a smooth transition when buying or selling their home. Shirley brings creativity, perseverance and the ability to communicate in Spanish to Lake Norman Realty. When asked why she chose Lake Norman Realty, she said "because they have what is important to me – open dialogue with leadership, training, support and a positive family atmosphere".

She lives in the Denver area with her husband and three children. In her spare time, Shirley enjoys tennis, boating, reading, cooking and being with her family and dogs. She can be reached in the Denver office at 704.827.7890, on her mobile phone at 704.853.9930, or by email at ShirleyP@LakeNormanRealty.com.
