Press Release

Lake Norman Realty Offices are Toys for Tots Collection Sites

Once again this holiday season, Lake Norman Realty, Inc. and Toys for Tots are teaming together to collect new, unwrapped toys for distribution as Christmas gifts to needy children in the local area. For the past 12 years, Lake Norman Realty has assisted the U.S. Marine Corps Reserve Toys for Tots program.

All four of Lake Norman Realty's offices in Mooresville, Cornelius, Denver and Statesville serve as collection sites for new toys. Along with the toys will come a message of hope delivered to the youngsters to motivate them to grow into responsible, productive, patriotic citizens and community leaders.

"We depend on the generous outpouring of the community to collect as many toys as we can for the Toys for Tots program," said Abigail Jennings, president of Lake Norman Realty, Inc. "I would like to thank the community for opening their hearts to support this worthy cause."

Lake Norman Realty is currently celebrating its 30th year serving the Lake Norman region. Giving back to the community is one of the company's fundamental goals, which each of its 65 associates are encouraged to do.
